My Week by Eleanor Roosevelt

AN ENTERTAINING EVENING

We had an interesting evening as we watched some short documentary films, and then two gentlemen, Mr. Charles L. Todd and Mr. Sonkin, who have been making recordings of interesting folk songs and dance music in the migratory camps on the West coast, for the Library of Congress, played some of their records.

One, a song by a boy of 14, was a gem, though he was covered with confusion and ran away when he heard it played! Many of the records, like the song written by a woman about her trip from Texas to the West, were heart-rending, in spite of the fact that one could not help laughing at certain little twists of language and expression.

These recordings are going to be historically interesting, but the inspiring thing to me is that people can live through such hardships and still have music in their souls and the ability to express themselves hopefully. Mr. Todd told me that when they have a dance, or are happy, over the prospect of work or some small event in their daily lives, these people apparently seem to be able to enjoy themselves with complete forgetfulness of the past and the future. They have learned what so many of us do not learn—that the present is the only thing we really possess.

CHINESE PHILOSOPHY

That night I read a little volume, arranged for publication by Stanwood Cobb. It is called, "The Wisdom of Wu Ming Fu," and is a collection of his translated poems and sayings. The Chinese philosophy over the centuries has come to the same conclusion as our migrants, and they would agree with Mr. Fu that "it should be our concern to make each present moment perfect."

'WE HOLD THESE TRUTHS'

The next day was most beautiful and four of us went by car to Sugar Loaf mountain and basked in the sun, with a beautiful view spread out below us. After lunch, in the shade of some trees. with the rocks as our seats, we read aloud the preface to a short anthology called "We Hold These Truths," compiled by Stuart Gerry Brown of Grinnell, Iowa.

This address impressed me, for I know two pretty good representatives of what American citizenship means, who are now in Washington and who have had close association with this same place in the past. This anthology is a collection of documents, written by our great men over the period of our whole history. Documents which all of us frequently want and should turn to, to clarify our own beliefs.

One afternoon I received Dr. Juan Carlos Blanco, the ambassador of Uruguay and Madame Blanco, and Mr. Fernand Dennis, the minister of Haiti, and Madame Dennis. They were my first diplomatic visitors for the fall, and they certainly were charming ones.

Secretary and Mrs. Morgenthau dined with us that night, and the next day Mrs. Morgenthau was catching up on some of the civilian defense work on which we are going to work together in the coming months. I find a wealth of volunteers who are anxious to do something useful, but I shall not be satisfied until I begin to see people ac-

Publisher to Speak At Lions Luncheon

Logan Franklin, publisher of the South San Francisco Enterprise, has been invited to speak at today's meeting of the Daly City-Colma Lions club at noon in the Hilltop Lodge.

This being the last day of Newspaper Week, Franklin will speak on "Advertising and the Free Press."

It was announced by Dale Hovey, president of the Lions, that two new members have been taken in to the organization. They are Arnold Panella, who is proprietor of a Union Service station, and Mike Ponsetto, whose business is "Rose's Dine and Dance" at Lawndale.

He Gets His Car Back, But It Was Some Chase

harles Anderson, proprietor of Charlie's Radio Shop, was breathing more easily last week. His car was stolen late Sunday evening by Ralph Norman Corea, Fresno, whom police chased from Daly City to Atherton along El Camino Real. Anderson had $150 in cash under the front seat.

Corea, 17, had stolen another car in San Francisco, abandoned it, and took Anderson's car in front of the Fat Boy Barbecue stand in southern Daly City. Captured in Atherton, it was found he was intoxicated, and he was returned to Daly City police. He was plac edunder $500 cash bail by Judge Wade H. Clay, and turned over to juvenile court authorities in Redwood City. Anderson got his car back safe and sound.

Thrift Shop Opens For Business Here

The St. Vincent de Paul Thrift Shop is now open for business at 6714 Mission street, with a wealth of clothes and all other kinds of household and human necessities. And all at extremely low prices!

In charge at the store is R. Heller, of Daly City. The enterprise is part of a nationwide charity organization sponsored by the St. Vincent de Paul society.

It is the first shop of this kind in San Mateo county, and the only one. A truck will each week pick up any donations made by persons in this county. These articles will be sold for a nominal sum. Any profit made will be used for charity after being distributed among the churches of the county.

Articles usable and desired by the Thrift Shop are clothing, toys, rags, tools, shoes, books, stoves, dishes, clocks, radios, papers, antiques, furniture, silverware, magazines, metal fixtures, sewing machines, washing machines, and electrical appliances.

"To have the truck stop at your home call DElaware 4363," local thrift bureau directors said.

Fall Festival Proves Big Success

With three crowded and glorious days of the Our Lady of Perpetual Help church festival behind them, the parishioners can look back with pride on the most successful entertainment yet staged by their church.

Father Adrian McKenna, who was in charge of the fall festival, expressed his great satisfaction and pleasure at the enthusiasm with which the festival was received.

"If I named any who were a great help in putting on the show

Many Local People Win Prizes, Ribbons

From the looks of the list of prize ribbons won by people in Colma and Daly City at the recent San Mateo county fiesta, local gardeners are "tops" in growing vegetables, flowers, or anything that needs cultivation and comes out of the ground.

A total of eighty-nine ribbons for first, second, and third places were garnered by Colma and Daly City talent. And in the exhibits by organizations the display of the Colma Vegetable association was outstanding.

Six first prizes were won by E. W. McLellan company, Colma, in the cut flowers division. P. Cafferata, Colma, took second prize in "the best arranged display of vegetables and seasoning plants, twenty varieties or more." In "root vegetables" division, Caf-

HUNDREDS ATTEND BIG COLMA RODEO

Over one thousand persons attended the rodeo at Colma, Sunday, staged on Tom Callan's property. The show was sponsored by Bar X ranch.

Eddie Allen jr., son of Ed Allen, captain of the sheriff's posse and secretary of the San Mateo county Horsemen's association, won a trophy in the competition.

The rodeo, which, it was decided, will be an annual event, included bucking horses, steer riding, and many other features. One of the most amusing was the "juvenile watermelon race." In this event the boys ride to a series of halved watermelons, try to pick up each half, remount and ride back.

Things were topped off with a chicken barbecue.

Allen announced that the sheriff's posse will have its annual barn dance, October 18, at the public hall in Bayshore city.

Bungalow Nursery Displays New Fuschias

A continuous stream of flower-lovers passed through Bungalow Nursery, all day, September 30, viewing the 268 different varieties of fuschias exhibited by Mr. and Mrs. H. Werle. This was the first of what will probably turn into an annual event.

Many kinds of cut flowers and blooms on bushes were on display, with especial interest focussed on the new varieties of blossoms to be on sale in 1942.

According to Mrs. Werle, the show was a great success, with persons from Portland to Texas in the crowds that expressed their interest in the flowers.

National Newspaper Week, Oct. 1-8

Those who publish and produce your newspapers are fully conscious of the burden of responsibility that they bear in searching out, interpreting, and delivering to you, news of the world, your nation, your state and your community. News is knowledge and knowledge makes men free! No price is too great for them to pay to maintain the Freedom of the Press, without which the delivery of news quickly, honestly and fearlessly would be impossible. The cost to you is trifling, but profoundly important.

Paying pennies for a paper is but one way for you to support the shining light of freedom: the other, is to realize that without NEWS told TRUTHFULLY, you too would live in darkness. To know the true value of your newspaper, you must realize its meaning to the democratic way of life.

Requests For Library Cards Hit All-Time High

One of the most popular public services in Daly City has always been the Daly City Library, but during the month of September it surpassed all records in applications for new library cards.

Sixty-five persons applied for library cards in that time, a greater number than has applied during any previous month.

The seven thousand books now available to the public grew from a small collection of a couple of hundred volumes nineteen years ago, when Mrs. Jean O'Rourk became librarian. She is now assisted by Miss Mary Lewis.

The library has an ample collection of fiction and non-fiction, as well as all the principal magazines and publications. All the latest best-sellers are to be found on the shelves.

Library hours are: week days—1 p. m. to 5 p. m., and 6:30 p. m. to 9 p. m.; Saturdays—1 p. m. to 5 p. m. The library is closed Sundays and holidays.

Local Draft Board Names New Group

A week from tomorrow 37 young men will leave for their sojourn in the army, all sent by the local draft board, No. 103.

Eleven of the draftees are from Daly City. They are Roland Delbert Martin, 201 Bellevue avenue; Freddie Martens Puls, 663 Crocker avenue; George Elmer Shannon, 6370 Mission street; Raymond Henry Welle, 4 Shakespeare street; Lawrence V. Patrick, 376 Winchester street; Reginald Philip Selby, 108 Los Olivos avenue; Luigi Ragni, 134 Acton street; Fred William Klotz, 188 Hillcrest drive; Clayton Jerome Dillon, 123 Knowles avenue; Edward Al. Zwolinski, 68 Shakespeare street, and Michael Costantine, 408 Winchester street.

Those from Colma are: Frank Earl Ward, Julius Jack Camenzind, Orlando John Martini, Castle street; Reginald Don Granucci, Market street, and Lawrence Lemos.

South San Francisco is sending the following: Pete Bianchi, Willie Ferrira, Samuel Steinert, William Alexander Gorman, Tony Mendoza, Victor John Feudale, Francis William Casper, Leonard Leopoldo Gonzales, Angelo Colombo, Russell Howard Coffman, Robert Rodoni, and Robert James Patterson.

From Brisbane are Frank Edward Nickells, Ernest Korkor Dombalian, and Michael Dossetti. George John Fanucchi is from Sharp Park.

The remainder of the 37 are as follows: William McBurney Rich, Rockaway Beach; Louis Vasco, San Francisco; Edward Thomas Bosio, Bayshore; Roy Oliver Wilson, Sonoma; William Frank Paganucci, Lynn, Massachusetts; and Ival Joaquine Ford, Willits.

Holy Angels Church Plans Program

Father James Sorasio this week announced the program of the fair, entertainment, and dance, to be given by the parishioners of Holy Angels church, Colma, October 25, in Colombo hall.

The entertainment will be given under the direction of Miss Mary Belli. There will be vocal selections by talented Colmans, and by the cowboy singers and players under the direction of Dante Lembi. Many children of the parish will sing patriotic songs. The children are being trained by the Sisters of the Holy Family. A committee of the Emidian Institute, Branch 154, Y. L. I., is in charge of the cake and sweets booth.

The grocery basket will be in

Reilly Arranges Conference On Liquor Problem

Launching a state-wide movement for closer co-operation with the home and school in the problem of alcoholic beverages and minors, Commissioner George R. Reilly, member of the State Board of Equalization for this district, will confer Monday, October 20, with representatives of all San Mateo County junior college, high school and Parent-Teacher units. The meeting will be in the Little Theatre of San Mateo high school at 3 p. m.

Miss Pansy Jewett Abbott, county superintendent of schools, will head the school contingent, and Mrs. George Bruns, Burlingame, president of the seventeenth district, will head the Parent-Teacher groups to the conference. Francis J. McConville, superintendent of the San Mateo High school district, will preside.

Those attending the session will include the president of the junior college, principals of every high school, their deans of boys and girls, and a representative of every parent organization associated with the high schools. There will be open discussion on the problem of how best to secure the voluntary support of young men and women of high school and junior college ages in cooperation with alcoholic beverage law requirements. Following this it is proposed to adopt some program of effective work in which the home, the school and the state will share.

Commissioner Reilly said today he had inaugurated the conference in his desire to get the support of home and school in what he termed one of the most important social and moral problems of the day. He pointed out that support of the young people in a state-wide program of temperence would be the most forward step the state could take in its effort to bring about an acceptible medium of control for the alcoholic beverage industry.

Tanforan Features Lassie Stakes Event On Saturday

Northern California's top fixture for 2-year-old homebred fillies—the $5,000 added Lassie Stakes—will be presented, Saturday, as Tanforan swings into the first full five-day week of the meeting. The six furlong fixture will have its sixth running and workouts indicate that a large field will tangle.

Of the 39 fillies remaining eligible for the stakes, 20 today are in training. Probably about twelve or fourteen will be deemed good enough to take a fling at the filly crown.

The Neil S. McCarthy entry of Ticky Otis and Outbid probably will rule favorites. Trainer T. D. (Pinky) Grimes has them both

Reporter Receives Govt. Appointment

Next week, Daly City Record will lose one of its reporters, Bill McLean, to the United States Civil service. McLean, who has a college background of four years at San Jose state college and a year at Stanford in addition to considerable working newspaper experience, received an appointment as senior clerk this week. Last March, he took civil service examinations and passed with a high rating.

For the past six months McLean has been filling a berth on the

I would have to name hundreds," he said. "I would like to thank everybody for the splendid way they cooperated and worked with such evidences of good will."

During the two nights that dinner was served—Saturday and Sunday—approximately five hundred persons were served, according to Father McKenna.

Among the favorite acts in the entertainment was the Daly City band, George E. Brenner, directing; Dottie and Billy Phelps, of Mission Auto Court, acrobatic dancers, and Miss Anita Pacelli, a Hawaiian singer and dancer.

Father McKenna especially mentioned the hard and extensive work of Clarence Fahy, who painted the much-noticed signs.

Most of the booths reported making money. The funds collected will be used to swell the amount to be used for a new school.

ferata and Joe Cresta, Colma, divided the honors. Cafferata received fifteen awards and Cresta fifteen. The former exhibitor received a trophy for the most meritorious exhibit in the root vegetable division.

Cafferata went right on in the "plants vegetable" section and won nine prizes. Cresta took six.

In domestic science Colma housewives need not be modest. Mrs. William B. Kennedy took second prize in "jellies, jams, pickles, relishes, and preserves." Sweepstake prize in "canned fruits, vegetables, and jellies, etc." was also won by Mrs. Kennedy. She took second prizes in canned pears and canned figs. Further awards went to Mrs. Kennedy in strawberry jam, and apricot preserves, and in dill, sweet, mustard, and mixed pickles, and pickled beets.

Dahlias! Elsie Hiller, 181 Santa Barbara avenue, was the recipient of many prizes in this class. She took two first prizes, four seconds, and one third.

The new 1942 Chevrolet Fleetline six-passenger Aerosedan. Low, sweeping lines combined with characteristic 1942 massiveness make the new Aerosedan a leader in style and beauty.

A distinctive frontal design sets the style for the new Ford passenger car line for 1942, introduced this past week. A rustless steel radiator grille blends gracefully with an entirely new front contour which features a new arrangement of headlights and parking lamps. Offered in three lines—the Super DeLuxe, DeLuxe and Special—the 1942 Ford has a distinctive interior and exterior trim for each series of cars. Engineering improvements emphasize comfort and safety. The Super DeLuxe and DeLuxe lines are offered with either the famous V-8 or the new Ford "6" engines.

Book Thrilling Western For Saturday Matinee

Film fans who like statistics will be interested if not downright amazed when the latest Trade Paper Poll of Box-Office ratings are released because for the first time in the history of the movie industry a brand-new group of stars has succeeded in crashing the "Big Three" of Western money-makers before their first group of pictures has been completed.

Monogram Pictures has this record-breaking trio under contract; "Crash" Corrigan, "Dusty" King and "Alibi' Terhune, "The Rangebusters" are the boys and at the moment they are worth their weight in gold for in less than twelve months, they have come from nowhere to rank third in the national poll.

"Wrangler's Roost," their latest screamlined smash which comes to the Daly City theatre for the Saturday matinee only is in the true Rangebuster tradition for in it the boys show enough stuff, songs and trip-hammer action to please the most avid western fan.

"Wrangler's Roost" is a wild and thrilling tale of old Arizona which has brought cheers from critics and fans for its smashing daring action and smooth melody.

Sensational Thriller, "Man Hunt," To Open At Daly City Theatre Tomorrow

Thrust off a fifty foot cliff, relentlessly pursued from the Bavarian Alps to the North Sea, across the Channel to England, then from London to the British countryside—that's Walter Pidgeon's fate in the new 20th Century-Fox thriller, "Man Hunt." Tensely exciting, dramatic, and breath-taking, the new film which is slated to open tomorrow at the Daly City theatre offers Pidgeon and Joan Bennett (who is starred with him) the finest roles of their careers.

Based on the novel "Rogue Male" by Geoffrey Household, "Man Hunt" is preeminently an adventure story, filmed against the swift-moving panorama of recent history. As Captain Alan Thorndike, world-renowned hunter and sharp-shooter, Walter Pidgeon is subjected to barbaric tortures by a cruel foe when he slips up in stalking the biggest game of all.

He becomes the quarry and leads his pursuers in a thrill-packed chase interwoven with a poignant romance, a chase that culminates in a sensational climax.

Unanimous enthusiasm was voiced by previewers for the studio's choice of Walter Pidgeon and Joan Bennett to play the leads. Pidgeon's robust, yet fascinating personality, made him the logical candidate for the role of Captain Thorndike. He wanted this role and considers it his finest—and critics have agreed with him.

Miss Bennett's fans will be surprised—and more than pleased—to see their favorite actress portray the part of a London "waif," to whom love comes too late. Joan doffs her familiar sophistication without sacrificing any of her appeal. On the contrary—her haunting beauty is enhanced as the sympathetic yet worldly-wise Jerry.

The featured cast, which includes George Sanders, John Carradine and Roddy McDowall, was selected with the same exacting care as were the principals. Fritz Lang, who megaphoned "Western Union," directed "Man Hunt." Kenneth Macgowan was the associate producer and Dudley Nichols wrote the screen play.

Companion feature on the new bill will be "Dance Hall," with Cesar Romero and Carole Landis.

JERRY, a girl out of the shadows, is portrayed by Joan Bennett in 20th Century-Fox's gripping "Man Hunt."

Release Local Man From Active Service

Sergeant Theodore C. Barstow, Company No. 1, 159th Infantry regiment, a Daly City man, was released, last Wednesday, from active military service, in conformity with the Service Extension Act of 1941, it was announced at Headquarters of the Fortieth Infantry division, San Luis Obispo.

Sergeant Barstow's home address is 180 Moltke street. He has received his "Certificate of Service" for having honorably served in active Federal service in the army of the United States, and reverts in grade and specialist rating to the National Guard under state status and control.

DEFENSE BOND Quiz

Q. Has the Government set a quota to be raised through the sales of Defense Savings Bonds?

A. No; there is no quota and no time limit. The Defense Savings program is to be a continuing effort, and both Defense Bonds and Stamps should be purchased steadily and regularly.

Q. Why were the Nation's retail stores asked to sell Defense Savings Stamps?

A. American retailers were not asked—they volunteered through their national organizations to undertake the sale of Defense Savings Stamps on a vast scale.

Note—To buy Defense Bonds and Stamps, go to the nearest post office, bank, or savings and loan association; or write to the treasurer of the United States, Washington, D. C. Also stamps are now on sale at most retail stores.

tually at work in communities all over the country. That is where the real civilian defense must have its roots.

By proxy, that day, I learned a good deal about my new job, because Mrs. Henry Morgenthau Jr. met the staff in the morning, and sat in on Director LaGuardia's meeting. In the afternoon, she met with another group, which discussed the complexities of the jurisdiction of work. All existing organizations will finally be drawn into a pattern where everybody will do his best with the least possible friction.

Anybody with experience knows what this can mean in the way of difficulty during the period of organization. A hundred times a day I shall wish what I have so often wished in the past, that human beings could be reconstructed overnight. If we would think only of the objectives to be achieved and never of the instruments to be used, least of all ourselves, how much more we could accomplish.

Great teachers through the ages have tried to teach us that this is the only efficient way of working and, perhaps, in the end, the only way through which any civilization can be saved. However, we do not always believe these teachers.

'DIGGING FOR MRS. MILLER'

I read through a little book called "Digging for Mrs. Miller," by John Strachey. It is an account of the experiences of an air raid warden in England. It is certainly different from anything I have ever read by him before. He is dealing with facts, whereas in the past he has dealt almost always with theories. It is a valuable little book and will enable people to visualize daily life for the ordinary man and woman where total defense is required.

Silver Lining

War has a silver lining for 84,000 who were on relief last winter in St. John's, Newfoundland. Its great newsprint and its wood-pulp and mine-prop industries have been revived with the closing of the Baltic. Iron, lead, and zinc mines are again operating, while enlistments in the navy, army and civilian forestry corps have also helped to reduce unemployment.

ADVANCED STREAMLINING FEATURED BY '42 BUICKS

Now on display in dealers' showrooms is the 1942 Buick line of cars, representative of which is the new Series 50 Super 4-door sedan shown above. The streamlined character of the new models is accentuated by new airfoil fenders which are carried through onto the door panels.

The front end features a completely redesigned hood and wide, low radiator grille, which provides greater air intake at the point of greatest pressure, while headlight placement at the outer edge of the fenders delineates the car's width.

Mussel Quarantine Extended Indefinitely

Don't trust a mussel a minute these days! This mild denizen of the shore would just as soon poison you as not. In other words, all mussels from the ocean shore of California extending from the southern boundary of Los Angeles county north to the California-Oregon boundary are under quarantine, with the exception of San Francisco bay.

This is the quarantine that was established May 25, which is now extended indefinitely, according to an announcement by the state director of public health, coming through the office of Fred Collins, assistant county health inspector.

The quarantine of all clams from the ocean shore of Santa Cruz county and Monterey county, including Monterey bay, established August 28, was ordered terminated, October 1. The action was based on laboratory examinations.

Private automobiles and buses were withdrawn from use in Denmark because of severe gasoline rationing. It was estimated 60,000 vehicles were affected.

Wondering about the 1942 cars?

Here is Buick's superb solution to the problems posed by making our national defense, as it should be, industrial America's No. 1 job

IT WAS no time to duck or dodge the facts. So we didn't try.

Instead we said — these being the materials critical in the defense program, we'll do our planning for 1942 with that foremost in mind.

Not merely for an "acceptable" car – certainly not for any "ersatz" number.

We had to have a real and representative Buick. One *able* enough, *active* enough, *durable* enough to serve till annual new models are the rule again.

We resolved on a 1942 automobile of such merit as could carry and cherish the Buick reputation without fault until other new Buicks, however far off, could come along to refresh it.

Now we're announcing those 1942 cars.

Why waste words telling you how good they are! You can't put language in the gas tank and learn either how many or how enjoyable are the miles you'll get per gallon.

There's a better answer–you drive these cars themselves. Come on, do that! Put your *own* yardstick on their quality.

It would be a shame, for you and for us, to have you miss the dreadnaught Buick we've built to stand up successfully to the toughest job in years.

No other car has ALL THIS FOR YOU IN 'FORTY-TWO

FIREBALL STRAIGHT-EIGHT VALVE-IN-HEAD ENGINE ★ COMPOUND CARBURETION (standard on most models) ★ OIL-CUSHIONED CRANKSHAFT PINS AND JOURNALS ★ STURDI-LITE CONNECTING RODS ★ STEPON PARKING BRAKE ★ BROADRIM WHEELS ★ FULLY ADJUSTABLE STEERING POST ★ BODY BY FISHER ★ WEATHERWARDEN VENTI-HEATER (accessory)

Universal Press Takes First Place In Daly City's Bowling Competition

Universal Press took sole ownership of first place in the Daly City Bowling league when they conquered Sheriff's Office 2-1, Friday. They have now won eight and lost four games for a percentage of .667. Universal Press has managed to keep the lead despite the fact that they have one of the lowest averages in the league, 729.

The only team achieving a shutout last week was Daly City Cleaners. The Cleaners finished off Milo's Market 3-0 to put themselves into a tie for second place with Conci's Service.

The Eagles evened up their percentage at six and six by defeating Curry's Barbers 2-1. The Lions club beat Conci's Service for their first win of the season. The Lions have a much-improved club over that which started the league..

High individual single game for the evening was Saccome, with 228. Langford scored the highest three-game total, 585. The Sheriff's Office turned in best single team game, 897; and the same team was high in three-game series, 2586. This is the best series scored yet in the tournament.

The Sheriff's team still is high team for single game, with 897, and they have the best average, 811. Nevertheless, they have won but six, while losing the same number.

The score:

Team—	W	L	Pct.	High Single	High Series	Team Ave.
Universal	8	4	.667	773	2257	729
Cleaners	7	5	.583	799	2301	740
Conci	7	5	.583	861	2376	780
Curry	6	6	.500	876	2490	793
Eagles	6	6	.500	810	2273	725
Milo	6	6	.500	823	2480	786
Sheriff's	6	6	.500	897	2586	811

That BIG Wind

San Mateo county felt the effects of high winds of near-gale proportions, last week. Damage was done to airplanes at Belmont airport, and a fire in San Bruno was fanned into a dangerous conflagration.

Three planes staked out in front of the Stinson Flying school near Belmont were blown loose from their moorings. No serious damage was done. The high winds blew the planes into the center of the field, but only one plane was slightly damaged when it tipped forward on its nose.

Two adjoining San Bruno grocer stores suffered a fire causing damage worth five hundred dollars. It started when the wind scattered glowing ashes in the incinerator behind the National Food Store and the Quality Market to nearby wooden boxes. The rear of both buildings was badly damaged, said firemen. The wind hampered the firefighting greatly.

Do you believe in monopoly?

One thing that has made America a great country is this:

Any man with the courage to start a new business—or sell a better product at a better price—is free to do so.

And he also is free to compete for customers by advertising the advantages he offers.

Advertising is one of the simplest safeguards against monopoly.

It lets each man tell his story—and the public picks the winner.

Industrial Expansion

Industrial expansion in San Mateo county got a flying start, last week, with news that a large welding plant will be built on a 4.83 acre site in San Carlos.

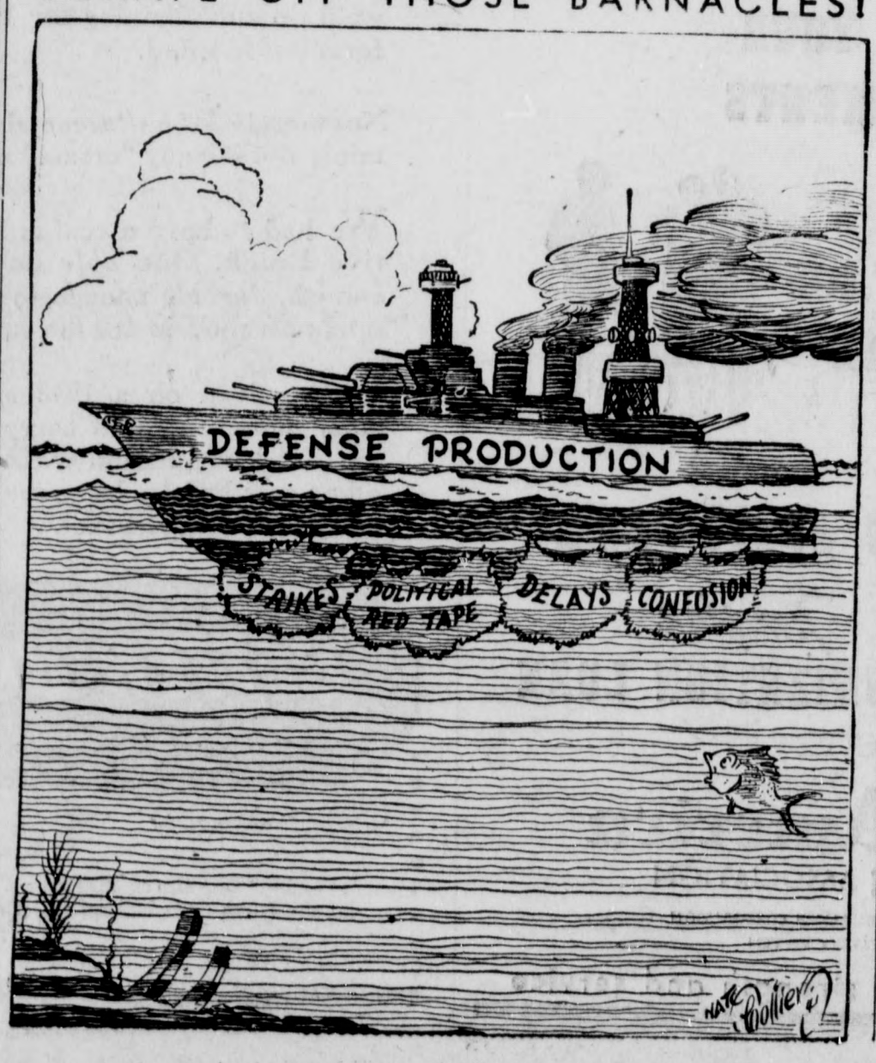

The property, purchased from J. D. McCallum by E. Evans, vice president and manager of Welding Sales Service, Inc., of San Francisco, is located directly east of the Southern Pacific depot in San Carlos, with a 150-foot frontage on Old County road, and running back 1,500 feet to Bayshore highway.

Evans said he is negotiating for government contracts to build welded life-boats for the United States merchant marine and for other miscellaneous contracts. The life-boat contract, if it goes through, will involve more than one million dollars.

If the contracts are not awarded the company will proceed with manufacture of welding electrodes, according to Evans.

No big increase in employment is expected, Evans stated, because the company uses highly skilled men mainly. However, should defense contracts be obtained, there will be 50 or 75 employees, he said.

Pershing P. T. A. Holds Installation

At a beautiful installation ceremony, yesterday, Mrs. L. H. Bissett, district parliamentarian, installed three new officers of Pershing P. T. A. Mrs. Nora Clifton took her oath as president. Other new officers installed were Mrs. Marge Calvin, treasurer, and Mrs. Ann Eason, auditor. The ceremony was held at 1:30 p. m. at Pershing school.

Following the installation Mrs. Ilda Marquis, membership chairman, gave a report on the membership drive. Mrs. Clifton and Mrs. Marquis reported on their trip to Burlingame, Monday, where they attended the district executive board meeting.

At the close of the business session Mrs. D. Barker's class gave a clever school demonstration. Refreshments were then served under the chairmanship of Mrs. S. Nordgren.

Mrs. Clifton and Mrs. Cathryn Krogh were appointed delegates to the district meeting at Pescadero. Other members who will attend this meeting are: Mrs. Amelia Siino, Mrs. Nell Caine, Mrs. Marquis and Mrs. Ruth Canier. "Any other member wishing to go should get in touch with Mrs. Krogh, ELkridge 1994, to make transportation arrangements," the ladies said.

Mrs. Frances Haussler, sewing chairman, today made a general announcement that anyone interested in sewing is invited to join the Pershing P. T. A. Sewing group. "We meet every Thursday at 1:30 p. m. at Pershing school. Do bring your sewing and join us," she concluded.

The next regular meeting of the P. T. A. group will be a joint meeting with the Jefferson Union High School P. T. A. The meeting is in honor of the "Dads" and will be a night meeting.

Whist to Benefit Homeless Children

El Carmelo Parlor No. 181, N. D. G. W., has completed plans for its annual Homeless Children's benefit whist, it was announced today. The party is to be held Wednesday, October 15, at Masonic hall. Playing will begin at 8:30 p. m., and the public is invited.

Proceeds from this event go to the fund which is used to carry on the Native Sons and Daughters program of placing children in homes.

Mrs. Florence Flynn is chairman. Assisting her are Miss Julia Steele, Miss Barbara Vernengo, Mrs. Alice Oldham and Mrs. Rena Mathias. The committee announces cash first and second prizes and numerous other awards.

After the game, coffee and doughnuts will be served at a nominal charge.

New Studebakers Arrive In Daly City

The new Studebaker automobiles for 1942 have arrived in Daly City.

Motorists who have been apprehensive over the quality and appearance of the automobiles that will be manufactured under the stress of national defense activities will have their fears dispelled if they go to the showrooms of William J. Sweeney, located at 6806 Mission street, and inspect the new Studebakers. The new cars are just as beautiful and brilliant in color and design as any of their predecessors and, according to Sweeney, they are better automobiles mechanically than previous models.

"These cars were designed and materials for them ordered before the defense demands became as pressing as they are today," said Sweeney. "Moreover, I don't think that we need to worry about the future either. Don't forget that the automobile companies have the best engineers in America on the job and I don't believe they'll be stumped by priorities or material shortages."

Mrs. Paul Selmi Heads Committee

New officers to head the Daly City Girl Scout committee were elected at Friday's meeting. Mrs. Paul Selmi was chosen as chairman. Assisting her will be Mrs. John A. Mosman, secretary, and Mrs. George Sorg, treasurer.

After the business of election, the group made plans for their annual girl scout cookie sale. The dates have been set for the week of October 27, National Girl Scout week. All girl scouts of Daly City will call on local citizens and sell them their wares. "This is the only time the scouts are allowed to sell house-to-house," stated Mrs. Mosman. "All proceeds will be put into the local girl scout fund, which is held by the committee."

The committee also plans a big picnic for all the local girl scouts, to be held Saturday, October 18. Mrs. Mosman asked all of the girls to contact their leaders for further particulars as to time and meeting place. The affair will be held at Thornton beach.

Lunch will be furnished by the Girl Scout committee.

Eagles Adopt Pledge to America

William Bolger, secretary of Colma Vista Grande Aerie No. 1848, F. O. E., this week made public the Eagles' Pledge to America, adopted at the grand aerie convention in Milwaukee, August 18.

The Eagles have pledged themselves, as a group of almost three-quarters of a million, as loyal supporters of the constitutions of state and nation, and to "the preservation of America and for what it stands among peace-loving peoples of the world."

In the pledge the Eagles affirmed that "Ours is a country dedicated to the belief that men have certain inalienable rights. Among these are 'Life, Liberty and the pursuit of Happiness.'

"To foreign armies that would descecrate our shores and to their leaders, we say, 'America was built by men and women who crossed the seas to escape political and religious persecution. From the forests and rivers, from fertile valleys and plains, they built a nation dedicated to God and to the finest ideals alive in the soul of man. These ideals we hold more precious than life.

"For any of this treacherous group—fifth columnists—who are caught in acts or crimes harmful to our government, we demand immediate and condign punishment. We have witnessed the successful invasion of peaceful countries that have been betrayed . . . and we pledge our individual and group strength to the work of exposing their acts, both of omission and commission, wherever opportunities present themselves to us."

D. C. Band Members See Motion Pictures

The Daly City band saw motion pictures of themselves in action, last Tuesday, at No. 5 firehouse. The pictures were of their winning first prize at the Napa county fair competition for the second consecutive year July 26 and 27, under the direction of George E. Brenner.

Manager of the fair, Dave Cavagnero, came down from Napa to show the movies. The 50-piece band took part in a parade through the Napa business district and headed a big pageant, called the "Cavalcade of Nations." It also supplied music for the horse show.

Altogether, its schedule was very full, and winning the first prize added to the already great publicity and honor it has won for Daly City.

Announce Hallowe'en Motif for Legion Dinner

Costumes in the best Hallowe'en tradition will be in order for members and guests at the spaghetti dinner planned by Daly City Auxiliary and Post, No. 410, American Legion for October 25. Arrangements committee representing the auxiliary includes Mrs. Anne Welsh, Mrs. Naomi Murphy and Mrs. Vivian Pahlka. The post is assisting with the dinner plans, too. Their committee will be announced later.

Friday at 8: 30 p.m. the local auxiliary will hold a pillow case whist at Legion hall. Mrs. Welsh is chairman. All local whist players are urged to attend; nice prizes are assured.

Black Cats Issue Membership Invitation

Beverly Ainsworth, president of the newly organized Black Cats, announces that any girl from Jefferson Union high school who would like to join their social club is invited to see her. The club is now open for new candidates.

Lorraine Hill was hostess to the club at their regular meeting, last Tuesday. After a short business meeting refreshments were served. The girls adjourned at 9 p. m.

Attending the meeting were Beverly Ainsworth, Irene Anderson, Dorothy Peterson, Patsy Benedetti, and Lorraine Hill.

Next meeting will be held at the president's home, 730 Templeton avenue, Tuesday, October 14.

TRAFFIC COURT

Drunken Driving Proves Expensive

Fifty dollars was the price of drunken driving to Elio Martini, 1623 California street, San Francisco, at the court of Judge Wade H. Clay, Friday.

The same offense cost Ross Whitacre, 451 Eureka street, San Francisco, $25. Leo Joseph Holman, 139 Vicksburg street, San Francisco, was fined $5 for speeding 50 miles an hour in a 25-mile zone.

Going 45 miles an hour in a 25-mile zone for Maurice O'Conner, 40 Worth street, San Francisco, in a $2.50 fine.

John Anthony Molinari, 374 Hearst avenue, San Francisco, charged with speeding, was fined a $2.50 suspended fine.

Disregarding signals, last week, were Blanch B. Beckner, 1031 Jones street, San Francisco, who paid $2.50; James P. Deveuve, No. 1 Presidio terrace, San Francisco, $2.50; W. Shroyer, 157 Chenery street, San Francisco, who drove his street car through a signal, $2.50 suspended; and John Hastings, 634 Powell street, San Francisco, $1.

Roy C. Roadman, 2195 Mission street, San Francisco, was fined $2.50 for not carrying an automobile license.

Court St. Mary Appoints Chairmen

At the last meeting of Court St. Mary No. 1155, C. D. A., Mrs. Grace Bacigalupi and Mrs. Josephine Reardon were appointed co-chairman of their next meeting scheduled for Thursday, October 16. The affair will be a farewell party honoring Mrs. Margaret Shean, district deputy. Mrs. Murphy, incoming district deputy, will also be honored.

According to the ladies plans are coming along fine for this important meeting. All members are urged to attend.

Veteran Firemen Honor Ed Ford

The Daly City Veteran Firemen honored their departed Comrade and secretary, Edward Ford, at their meeting, Friday night, by standing a minute in silence.

Comrade Gus Ford was asked to take over the duties of secretary, and he willingly responded.

The meeting was called to order at 8 p. m. at the Veteran Firemen's usual meeting place, 188 Santa Barbara avenue. Visitors were present from Mountain View and San Francisco. Comrade Charles Brown was present, as were Comrade Manlial and Comrade E. J. Romer.

Comrade A. Romer was the lucky party with a smile. Comrade Chaplain H. W. A. Rickmann reported that Comrade F. Hanson wished to be excused, but is improving in health. Comrade Lucy also reported that Hanson was looking well. Comrade Bradberg is doing nicely; and Comrade A. J. Hilton is doing fine, according to Comrade Past President A. P. Chesney.

All present wished Comrade Koskinan a speedy recovery, upon hearing that he was ill. Comrade A. Romer reported the illness.

Several long talks were made, one by Comrade Chesney, who spoke of his trip to Reno to attend the convention of the International Fire Chiefs' association. Comrade Arthur Bodien also spoke of this trip, he having accompanied Chesney. The talks were pronounced both educational and interesting.

Veteran firemen were invited to attend fire department meetings. Comrade A. Biggazzi was the one who suggested that Chesney and Bodien tell of their trip.

Fish stories were told by Comrades Valentino and Rickmann and others present. Comrade William Goldkuhl spoke on several subjects, after which Comrade Chef J. Hesslein prepared a buffet supper for all present. As there was so much amusement in and around Daly City the association adjourned until the first Friday in November.

New Decorating Guide Shows How U. S. Lives

Typical American Small Home Shown in Full Color in New Guide

Paint Experts Photograph Hundreds of American Homes in Actual Colors to Explain "Color-Styling"

"How America Lives" might well be the title of a huge portfolio of color-photos recently put on display here by A. L. Stockton Lumber company. It was compiled by one of the large paint companies and shows in their actual colors, hundreds of living rooms, bedrooms, kitchens and playrooms where typical Americans eat, sleep and relax.

The portfolio is actually a complete decorating guide, for it shows hundreds of rooms and homes which employ paint colors to achieve beautiful color schemes. This Paint and Color Style Guide, as it is called, is said to simplify the selection of paint color schemes, since it shows how a color actually looks on the walls rather than how it looks in the can. Its sponsors explain that many people who prefer painted walls were reluctant in the past to use paint because it was impossible to know how a color scheme would look until the paint was on the walls.

According to the local paint man, paint colors can make a room seem longer, narrower, higher, cooler, warmer, gayer, cozier, more restful or more formal, depending upon the colors chosen. In the new guide, which he will lend to interested local residents, there are color photos which demonstrate this principle, and both the paint and the other furnishings may be matched exactly to duplicate any room shown.

Sew and Sew Club Will Meet Tomorrow

Plans were made by The Sew and Sew club of Crocker P. T. A. to meet tomorrow at the home of Mrs. Lilly Cavagnaro, 428 Irvington. The group will meet immediately following the Crocker P. T. A. life-membership luncheon, which is being held at Mrs. Cavagnaro's home.

Mrs. Cavagnaro and the rest of the ladies send a cordial invitation to the public to attend their affair. Luncheon will be served at 11 a. m. Proceeds will be put into the life-membership fund.

Last meeting of the Sew and Sew club was held at the home of Mrs. Emma D'Isep, 884 Templeton avenue, Friday. Thirteen ladies were present.

Plans were made to meet at Mrs. Vivian Pahlka's home, 569 Winchester street, for the October 17 meeting.

Crocker P. T. A. will send their president and several candidates to the district meeting at Pescadero, Thursday, October 16. Candidates will be named next week.

NYA Funds for Jaysee

San Mateo junior college has received an allotment of NYA student work funds amounting to $9,810 to finance part-time employment of needy students for the coming academic year, according to Robert Wayne Burns, State Youth administrator.

This marks the seventh year that students attending the junior college have been helped to continue their education through the cooperative action of the school and the NYA.

Set Woodrow PTA Board Meeting

Mrs. Ida Hanley, president of Woodrow Wilson P. T. A., today announced the next executive board meeting will be held at the home of the vice-president, Mrs. Martha Linden, 467 Niantic, Tuesday, October 14. "The members will meet at 12:30 p. m. and everyone is urged to attend, as it is to be an important meeting," President Hanley stated.

Mrs. Hanley attended the first meeting of the district executive board at Burlingame, Monday. All presidents from the district were present.

Mrs. Hilda Heagney, financial secretary and Mrs. Hanley will attend the regular district meeting at Pescadero, Thursday, October 16. According to cards received by the ladies from the hostess group, this meeting promises to be interesting and a surprise program has been planned.

The luncheon whist, held by the group Friday, September 25, proved a huge success, according to Mrs. Heagney, hostess. "The affair was such a success, that we plan to hold similar luncheon whists each month at the different officers' homes," she stated.

Classes

LIBRARY

Miss Ethel Fillmore, librarian at Jefferson Union high school, today announced the arrival of thirty new books.

The books will be put on the shelves for the students use as soon as the librarians have stamped and catalogued them. Some of the outstanding books secured are: "Danger Is My Business" by John Craig, "Turbulent Years" by Isaac F. Marcosson, and "Outpost of Science" by Bernard Jaffe.

Miss Fillmore also announced that the library was to secure an illustrated edition of "Fantasia."

ENTERTAINMENT

Hurry! Hurry! Just two more days to buy your dance tickets. You don't want to miss this first dance of the year, because from all rumors, it's to be a humdinger.

Dante Lembi and his Indians of Rhythm will furnish the music, and from that you know it will be good.

Frank Feno and his assistants have been in the senior room both lunch periods since Monday, selling tickets. Friday has been set as the last day of the sale.

The students are anxiously looking forward to this afternoon's assembly. Popular Roy DeVincenzi has planned a number of skits to help advertise the dance.

Assisting DeVincenzi will be Feno and his entertainment committee.

The main skit is to take place at a creamery where the members of the class are playing the juke box. The moral of the skit is —"Money in juke box means no money in pants for dance tickets."

Outstanding performance will be a piano concerto by Maestro Roy DeVincenzi. How he stops in the middle of his masterpiece to buy a dance ticket, proves how important it is to have one.

SENIORS

It may seem early, but the seniors don't believe in waiting until the last minute to get things done.

Last week, members of the graduating class had their senior pictures taken. Everyone is now waiting anxiously to see the proofs.

EXECUTIVE NEWS

Where to put the senior benches is the big question before the members of the executive board at the present time.

It is a custom at Jefferson that when you become a senior you receive the privilege of sitting on the senior bench. They used to stand in the entrance hall and were the gathering place for all high seniors, until they broke from overwork. They are now being mended and a new place to set them up is the problem.

Robert Grimes was appointed by the executive board to assist the present sergeant-at-arms with his duties. Allen Rigler was appointed as assistant yell-leader.

RALLY

Return engagement by popular request was made by Carmen "Roy" Miranda at Friday's rally. Ever since DeVincenzi gave his impersonation of the very popular songstress Carmen Miranda, last semester, the student body has been clamoring for a return engagement.

Assisting with the skit "That Night in Daly City," which depicted what happened in the star's dressing room the night before "That Night" were: Robert Grimes, Balboa pirate, Carmen Miranda, DeVincenzi; and a Jefferson Indian, Andy Parodi.

According to the rally chairman, DeVincenzi, Friday's rally "will be a wow!"

C. S. F.

Members of C. S. F. will meet this afternoon in the C. S. F. room. All members are urged to attend.

NATURE SOCIETY

All members of the Nature club are anxiously waiting for Saturday. Edgar and Arthur Smith, two popular teachers at Jeff, have planned to take the group on a field trip. The students will gather early Saturday morning and climb aboard the Smiths' station wagon for a ride to Pescadero creek. Crayfish are the game they are hunting. The loot will be brought back to Jefferson where the various biology groups will use them in their studies.

ASSEMBLY

The honored speaker who was welcomed by the student body yesterday was Gladys Mason, director of the Home Service department of the Sperry Flour company. She gave an interesting speech on the general topic, "Nutrition." She was obtained through the efforts of Clive M. Saiz.

Campus Fashions

"Wardrobe rhythm" are the high school girl's success words. The high school girl who knows how to integrate her wardrobe is well along the road to campus chic.

The matter of knowing how to integrate a wardrobe is one of the primary rules for being well dressed on modest budget.

One of the first rules on the "don't" list of fashion experts for campus queens is—buying a "one-occasion dress" or "that little number out of the window."

Best advice to follow is pick a color scheme for the semester and stick to it. If you're a blue-eyed blonde—pink, blue or pale green are just made for you. Darkhaired girls look scrumptious in bright yellows, reds or white.

The smart Miss will choose her color scheme to accent her hair, eyes or complexion. Your clothes should be made to make **you** the outstanding and important thing.

After picking out your color scheme select dresses, ensembles, sport suits, coats and accessories that are matching and still interchangable. Also, be sure that your dresses and skirts are suitable for wear on a variety of occasions.

A member of the new club, "Roquetts," is this week's fashion winner. She is a tall, honey-colored blonde, with flashing green eyes and one of the prettiest smiles you could ever hope to see.

She was attired in a green and brown outfit that did justice to her pretty eyes and complexion. She was wearing a chic kelly-green boys' sweater, which we were told was the club's new sweaters. She had a perk little green bow in her cute blonde curls. Her kelly-green sweater was topping a brown skirt.

Our little campus queen, Allene Johnson, is a junior; her pet peve is too much make-up and her favorite pastimes are tennis and dancing.

Allene is studying to be an office girl, so quite naturally her favorite subject is typing.

So—here goes this week's fashion bouquet to the girl with the green eyes and pretty smile!

Phone Company Adds Two New Prefixes

Two new prefixes—LOmbard and JUniper—have been added to San Francisco's present list of telephone names, and a new $2,500,000 dial central office unit will be built at Alemany boulevard and Onondaga street to serve the southeastern section of the city, it was announced today by Lyle M. Brown, division manager for the Pacific Telephone and Telegraph company.

Brown said all orders for new service, moves or changes involving telephones in RAndolph or MOntrose central office districts which now serve that area, and have reached capacity, are being assigned numbers preceded by one of the new prefixes. Orders completed in RAndolph district will be assigned JUniper numbers and in MOntrose district LOmbard numbers.

Construction work on the central office building to house the new dial equipment is now under way.

Music

Members of the Jefferson Union high school chorus are preparing for their first musical program of the term. The date has been set by musical instructor, Oscar Busch, as Thursday, October 23. The program will be put on for the members of the student body during their regular assembly period.

All during this week the students who show the best possibilities will be chosen for the chorus. It will be done out of the regular classes, third and fifth periods. Selections are also being made of the musical numbers to be sung.

Pianists for the chorus include: Gloria Tooth, Joyce Russell and Isabel Smith.

The Jefferson band is working hard to get into shape for their first concert of the year, next Friday. The band will make their first public appearance at the Bayshore grammar school.

Members of the band include:

Clarinets: Angelo Ditty, Ed. Girdler, Beverly Johnson, Robert McCoy, Grace Tvedten, Jean Tvedten, and Norman Wiseman.

Oboe: Thelma Tvedten.

Saxophones: Elizabeth Blassman, Kenneth Hatt, James Murla, Meta Wendell, Richard Dofsen.

Trumpets: Tom Beeson, Roy Camillo, Robert Lane, Emile LeMoine, James Robin, Paul Schmidt, Bob Seiler, Marie Smith, Gene Snow, Robert Vetter, Fred Waterman, Charles Jackson.

Horn: Harvey Melicker.

Baritones: Lowell Coy, James Parker, Lloyd Rentsch.

Trombones: Ernest Anderson, Lloyd Arthurs, Jack Fogarty, Leo Girdler ,Dick Grannis, Eugene Grant, Robert Johnson, Kingston MaHaffie, Fred Schmidt.

Bass: Charles May.

Drums: Elbi Lanza.

Sports

BASKETBALL

Jefferson's 10's and 20's will play their first league game of the semester, Friday, with San Jose high school. Action will take place at San Jose.

Boys to see most of the action during the playing season will be 10's squad: Ed Denning, David Johnson, Don Welch, Jim Miedel, Frank Pettite and Andy Parodi, 20's squad: Ed Allen, Art Knight, Bob Bybee, Tim Christen, Frank Coen, and John Rerecich.

G. P. A. L.

It was announced, today, by a notice on the girls' bulletin board that Jeff would send a hockey team to the Hockey sports day for Allied Members at the women's gym, at Stanford university, Saturday, October 18. The girls will bring their lunches.

Playing will be from 9 to 11 a. m. and then time out for lunch. This is one of the biggest sports days of the season.

The regular Fall meeting of the G. P. A. L. will be held at Sequoia high school, Thursday, October 16. The girls will leave immediately following that day's after-school sport. The meeting will begin at 4:30 p. m.

After the business meeting a dinner will be served at 6 p. m. A nominal charge will be made.

Those attending the meeting will be the G. P. A. L. manager, Ester Hanel; Sophie Sikeotis, head of hockey; Zeffera Blandini, secretary-treasurer; Nadine McDonald, head of archery. In the near future two girls will be chosen to head tennis and swimming. Upon their appointment their names will also be added to the list of guests to attend this tri-annual meeting.

Miss Juanita Young and Miss Ella Redkey, physical education instructors, will accompany the girls.

At The District Grammar Schools

At Jefferson

The famous "Three Bears," who foolishly left their bowls of soup on the table while they went for a stroll, only to find subsequently that a little girl of considerable capacity had eaten it all, was the subject engrossing the "kinder" in kindergarten, last week. The story was used as a means of enabling the boys and girls to work and play together. After listening to the time-honored tale the young ones enacted a small play, depicting the various characters in the story. Now they are working on "Bear Folders," making original pictures and pasting them in large books. This work develops muscle coordination as well as originality in self-expression, and aids in overcoming shyness, according to the teacher.

When the children in the first grade at Jefferson are good they can be sure not only of rewards in heaven, but on earth as well. They have a "Good Behavior" chart. At the end of the day, those who have been unusually good receive a gold star after their names. At the end of the week, those receiving five gold stars draw for a prize.

The fifth grade at Jefferson annex welcomed Mildred Roe, a newcomer, last week. She formerly attended the Alisal school, Salinas.

California gained a new fan in Anna Louise Story, who entered the sixth grade recently. She came from Colorado. Her family spent their summer vacation in this state, liked it so well that they decided to live here. Anna Louise has many interesting things to tell about Colorado.

Students in the eighth grade wrestled with the basic problems of democracy last week. They received a supplementary issue of their Weekly Current Events paper. This issue was entitled "Basic Documents to Democracy." After reading and studying this issue thoroughly, many of the students gave excellent reports with the information gathered from this paper.

Inez Chelone and Audrey Kusber gave a short summary of the Magna Charta. Bennie Picetti spoke on important papers from English history. Nita Nolan and Eleanor Beneditti discussed documents from Colonial America.

Hubert McDaniel and Bernard Orovitz each made stirring speeches on the Declaration of Independence. The Articles of Confederation were reviewed by Marian Puccinelli and Norman Stanghellini. Irma Ross and Virginia Nestor gave a brief discussion of the Ordinance of 1787.

Barbara Cullen related the difficulties of the Federalists during the early years of the United States. Winifred Grant and Raymond Chelone spoke on the Bill of Rights. Phoebe Remington reviewed Washington's famous Farewell Address.

Thomas Jefferson and democracy were discussed by Lillian Scramaglia and Fred Pasero. Dorothy Demattei told in brief about the epoch-making decisions of the United States Supreme court. The lesson was concluded when Billy Heinzle and Raymond Ciardella spoke on some of the writings of Abraham Lincoln.

Chinese Secret Societies

Police raids on two big meetings in a Canton, China, cemetery resulted in the arrest of nearly 100 Chinese who were suspected of being members of illegal secret societies. The societies hold their meetings at the grave of one of their slain members.

At Crocker

ROOM 2

Pupils of Room 2 were greatly interested, last week, in views of Washington, D. C. The nation's capitol was shown the children in impressive lantern slide scenes.

ROOM 4

A sound film, "Proudest Americans," was presented to the pupils of Room 4 during their social science period. It related the life and customs of the Seminole Indians of Florida.

It was the first time they had heard the new sound machine.

ROOM 6

A new understanding of air travel was gained by the students in Room 6, when they took a trip to Mills field, Friday, September 26. During the time that was spent there the children had the opportunity of watching three United Airline Planes land, load passengers, baggage, and mail, and take off.

The excursion was enjoyed by the children. It was taken in connection with their unit on air transportation.

The Crocker PTA had a paper drive, last week. Prizes were awarded to the three students bringing in the most paper.

The following officers were elected to the Girls' Glee club for the fall term: president, Vivian Thorsen; vice-president, Doris Mercurio; secretary, Wilma Cassasa.

The first basketball game of this term was played between Crocker school and Our Lady of Perpetual Help grammar school. Crocker won the game, 36-7.

At Woodrow Wilson

ROOM 5

The pupils in Room 5 heard Daly City Police Chief James G. Reardon, last week. He gave a talk on the functions of the police department, enumerating all the duties assumed by that department. His talk made clear to the class that the cooperation of young pupils, as well as adults, is necessary if people are to have a safe and law-abiding community.

Reardon's talk was part of a unit, "Citizenship and Democracy," which aims to teach the children the necessity of living as part of a group in life, and to share the responsibilities of that group, whether it be home, school, church, or community.

ROOM 8

Hobby talks were the center of interest during the English period in Room 8 last week. Among the interesting displays was Ruben Preciado's collection of bows and arrows. Ruben explained the fundamentals of archery and the way the various arrows are made.

ROOM 9

Yvonne Hulme went on a fishing trip, last Saturday, with her father, but modestly admits that they didn't catch any fish, unlike the typical "fish story."

Another traveller last week was Richard Gamba, who accompanied his father on a business trip to La Honda. Richard had a very enjoyable day.

Pitching Duel Opens Ball League

A nice pitching duel got under way at Marchbank field, Sunday, to open the newly-created Peninsula Baseball league, sponsored by Al Erle, baseball booker for the peninsula.

The S. P. Club defeated Papenhausen Hardware, 3-0. The score might well have been 1-0, but two runs chased in due to errors. Prola pitched air-tight ball for the winners, never getting into trouble, and allowing four hits.

Carr was by no means a cousin on the mound to the S. P. batters, but was a bit shaky with men on the bags. He allowed seven hits.

S. P. Club immediately got to Carr for two hits and a run in the first inning, and chalked up another score in the third. After that Carr held them until the ninth, when two singles pushed across another run for the winners.

The Peninsula Baseball league will include six teams, S. P. Club, Papenhausen Hardware, Golden Gate U. C. T., Laundry Workers' Union, Peerless Laundry, and a team from San Mateo. Three parks will be used, Marchbank park, Jefferson Union high school diamond, and the community park in San Mateo.

The first game at Marchbank field was played between the Daly City Juniors and the Columbia P. B. Club. After battling for eleven innings tied up, 2-2, they called it quits. Each team got seven hits. The Juniors had a good chance to take the game in the ninth inning, when they put together three hits, but no runs resulted. Columbia P. B. Club put across their two scores in the seventh after being behind 0-2. This tied the game up and it stayed that way.

Jeff Gridders Lose Second Game, 20-0

Bad luck hit Jefferson high school's footballers a knockout blow, Friday, and they went down before the bigger and more numerous squad, Balboa high school, 20-0.

Two of the Balboa scores came on disputed decisions by the umpire. In the second half, with the Indians behind by one touchdown, a Balboa man took a punt and ran, skirting the sideline all the way, to the Indians' 18 yard line. The Jefferson squad and many of the spectators thought that the Balboan had stepped out of bounds. In two plays Balboa was over the goal for their second score. A lateral and end run accounted for the six points.

A few plays later a Jefferson punt was again returned down the sideline with the local boys protesting that the Balboa ball carrier had gone out of bounds. He went all the way to score through a more or less demoralized Indian team.

Two chances for Jeffersonites to cheer came during the game. One when Ray Valente apparently caught a lateral pass and ran for a touchdown. The play was called back, however, because the ball had touched the ground before Valente captured it.

Another apparent touchdown came to naught when Bob Capps snagged a forward pass, ran to the one yard line, only to fumble when he was tackled. The ball dribbled over the goal for a touchback and exactly zero on the scoreboard.

Coach John Matthews felt that his Indians put up a considerably stiffer fight than is shown by the scoreboard.

Next week the Indians, with two games under their belt, will take on another tough one, San Mateo. The game will be played at Jefferson field, Friday afternoon.

Winterland Features Thrilling Ice Polo

Ice Polo, San Francisco's most popular indoor winter sport, is again under way at Winterland, the big ice rink at Post and Steiner streets. Fast and hilarious, the game is being played each Monday evening during public skating sessions.

Two short periods constitute the time of Ice Polo. The play has much of the action and the thrill of ice hockey, but the "sticks" are bound brooms, which adds to the fun and does away with danger to the players. The latter are recruited among skating patrons of Winterland. Six people are on each team.

A. J. ("Red") Glendenning, widely known hockey player who is affiliated with Winterland as an instructor, declared that "anyone who knows how to skate can get into an Ice Polo game." With Beldon Gardner, Glendenning fostered Ice Polo here.

Many other special activities are now enlivening the thrice-daily public skating sessions at Winterland, according to George J. Campbell, manager of the big ice rink.

Junipero Serra

Plans are under discussion for a gala celebration to feature the completion of Junipero Serra boulevard between Cypress Lawn and Sneath lane near Tanforan in San Mateo county, it was announced.

The subject will be discussed fully at the next meeting of the board of supervisors. The new link in the Junipero Serra boulevard will be completed within a few weeks.

The next link in the boulevard will extend the road to Crystal Springs road. A 26 foot center strip will divide the boulevard into two triple lane highways.

Golden Gate UCT Bats Out Ten Runs

A big sixth inning in which Golden Gate Council, U. C. T. scored seven runs on six hits brought that baseball team victory over the Laundry Workers' Union at Jefferson Union high school diamond, Sunday. The score was 10-5. Golden Gate collected 14 hits, while the Laundry Workers were getting 17. Despite the Laundrymen's steady and frequent blows, they could only amass five runs, those coming in the sixth and seventh innings.

D. C. Ambulance Rushes Soldier To Hospital

The Daly City Ambulance, driven by Leonard Steuhler, brought Ralph W. Sidle, a soldier from Fort Funston, to South San Francisco Saturday night after Sidle was injured by an automobile on Bayshore highway near Brisbane. He had a crushed heel.

Mrs. Amrose Fox, San Francisco, drove over an embankment of the Skyline boulevard, Sunday evening, and was injured slightly. Daly City Ambulance took her to Villa hospital.

Steuhler reported that he received a letter of thanks from Mrs. Samuel L. Tinkelspiel, who was involved in a collision on Bayshore highway two weeks ago. Steuhler brought her to Mt. Zion hospital.

Getting Ready For S. F. Livestock Show

BRYNDUNE JOAN, California Ayrshire dairy queen from the J. W. and Elmer R. Hanner Farm, Elk Grove, Cal., is being groomed for her appearance at the GRAND NATIONAL LIVESTOCK EXPOSITION, which will be held in San Francisco's huge new $2,500,000 "Cow Palace," November 15 to 22. With her is her pal, little Miss Lorene Hanner. The Grand National show will bring into competition outstanding classes of dairy and beef cattle, horses, sheep and swine from all over the nation.

Katherine Dunham To Return to S. F.

Katherine Dunham and her Dancers, recent sensational hit of "Cabin in the Sky," return for one performance only on Sunday afternoon, October 12, when they will appear in a concert of Haitian voodoo dances, primitive Cuban rhumbas and other exotic Caribbean numbers at the Curran theatre. It will be the first presentation of this program in San Francisco. There are twenty dancers in the group. Tickets are now on sale at the Curran box office.

Gaucho Vanderhanz, British Guianan drum virtuoso, and Ivan Lopez, from Trinidad, provide percussion accompaniment.

This recital will be staged exactly as given for twelve Sunday nights last season at the Windsor theatre, New York.

Rosenwald and Rockefeller Foundation fellowships enabled Miss Dunham to make a year's research of music and dances in the West Indies.

She spent three months in the jungles of Haiti in quest of authentic voodoo material. Four calfskin drums from the famous Rada cult are now in her collection.

Reservations for the Curran performance may be made by phoning ORdway 4400.

Local F. O. E. Teams Slip Notch Each

Both the "A" and "B" teams of the Colma Vista Grande Eagles bowling stalwarts slipped a notch, Monday evening, in Eagles' Peninsula league.

The "A" boys lost to the San Francisco "B" team, 2-1, and the local "B' team bowed to Redwood City by the same score. The former outfit now has won seven and lost five, residing in third place. The latter fellows haven't done quite so well, being in sixth place, with four won and eight lost.

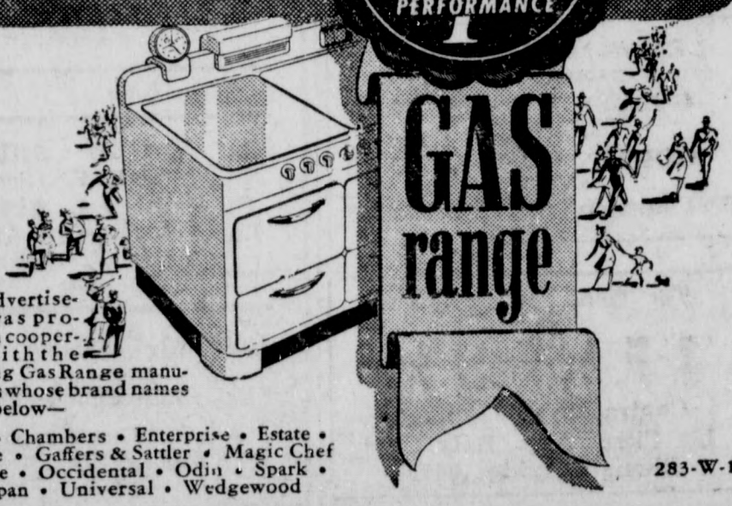

CUTTING KITCHEN COST is important these days. Food and its preparation are making every housewife budget conscious. That is why women this month are investigating how a modern Gas Range can bring four savings into the kitchen.

In the modern gas range, the burners save fuel at every cooking speed. These new burners keep the gas flame on the bottom of the pan—there's no waste heat spilling around the sides. The simmer adjustment on the burners makes possible waterless cooking that saves healthful vitamins to retain the garden-fresh flavor of vegetables. Giant top burners, speed ovens and broilers plus automatic lighting save kitchen time at every meal hour. The insulated oven of the new gas range permits the low-temperature cooking that reduces meat shrinkage and tenderizes the less expensive cuts of meat.

Buy a modern Gas Range now and save. Save while prices are still low. Save on every meal every day.
